To Whom it may Concern:

Please accept this letter as confirmation that Florida Fire Systems, LLC / Summit Fire & Security, LLC perform the fire alarm and fire sprinkler inspections at Santa Maria Condominiums in Fort Myers Beach, FL.

All units are equipped with fire alarm notification devices, as well as throughout the common area. This system was inspected in July 2021. We inspect these systems annually, per the NFPA 72 Standards, and they are recorded on NFPA Inspection Reports and turned into the local authority and the condominium association.

All units are protected by a fire sprinkler system and fire sprinkler heads are located in each unit. This system was inspected in July 2021. We inspect these systems annually, per the NFPA 25 Standards, and they are recorded on NFPA Inspection Reports and turned into the local authority and the condominium association.

The fire alarm and fire sprinkler systems are monitored 24 / 7 and report to a central station that immediately reports to a local fire department.

Please contact us if we can be of further assistance.

Respectfully,

Kathleen G. Sorensen
