FIRE PROTECTION CERTIFICATE

This is an ***official*** "Fire Protection Certificate" which verifies the various life safety system(s) (fire sprinklers, fire pump and/or fire alarm monitored via Central Station) are to be serviced, inspected, and monitored by Florida Fire Systems, LLC per NFPA and local AHJ code standards and requirements.

Customer:

Santa Maria Condo
7307, 7317, and 7327 Estero Blvd.
Fort Myers Beach, FL 33914

Serviced/Inspected By:

Florida Fire Systems, LLC
12320 Crystal Commerce Loop
Ft. Myers, FL 33966

The equipment installed at the aforementioned address provides the following:

<u> X </u>	Fire Alarm Detection
<u> X </u>	Automatic Wet Standpipe or Sprinkler
<u> X </u>	Fire Pump
<u> X </u>	Communicator Advisory Reporting via Central Station

Fire sprinklers throughout the entire building per NFPA 13; Fire Alarm per NFPA 72
Exception of closets under 24 sq. ft. and bathrooms under 55 sq. ft.

We certify that these system(s) are present as of **July 16, 2021**. Please allow the owner of this specified property any insurance credits or discounts that may be due because of these life safety protection system(s).

Respectfully,

Amanda Culver
