COMMERCIAL PROPERTY CONDITIONS

This Coverage Part is subject to the following conditions, the Common Policy Conditions and applicable Loss Conditions and Additional Conditions in Commercial Property Coverage Forms.

A. CONCEALMENT, MISREPRESENTATION OR FRAUD

This Coverage Part is void in its entirety in any case of fraud by you as it relates to this Coverage Part at any time. In the event you engage in any fraud with respect to a submitted claim, either before or after submitting such claim, coverage for the entire claim shall be void. This Coverage Part is also void if you or any other insured, at any time, whether before or after a loss, intentionally conceal or misrepresent a material fact concerning:

1. This Coverage Part;
2. The Covered Property;
3. Your interest in the Covered Property; or
4. A claim under this Coverage Part.

B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

C. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

D. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

E. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this Coverage Part without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this Coverage Part.

F. NO BENEFIT TO BAILEE

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

G. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

H. POLICY PERIOD, COVERAGE TERRITORY

Under this Coverage Part:

1. We cover loss or damage commencing:
 - a. During the policy period shown in the Declarations; and
 - b. Within the coverage territory.
2. The coverage territory is:
 - a. The United States of America (including its territories and possessions);
 - b. Puerto Rico; and
 - c. Canada.

I. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US

If any person or organization to or for whom we make payment under this Coverage Part has rights to recover damages from another, those rights are transferred to us to the extent of our payment. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

1. Prior to a loss to your Covered Property or Covered Income.
2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:
 - a. Someone insured by this insurance;
 - b. A business firm:
 - (1) Owned or controlled by you; or
 - (2) That owns or controls you; or
 - c. Your tenant.

This will not restrict your insurance.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

LOSS CONDITIONS AMENDATORY ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
CONDOMINIUM ASSOCIATION COVERAGE FORM

The following is added to **E. Loss Conditions**

Professional Fees

This policy is extended to cover expenses **up to \$25,000** incurred by you or your representatives including auditors, accountants, architects, engineers, or other such professionals for producing and certifying particulars or details of your business required and approved by us in writing in order to arrive at the loss payable under this policy in event of a claim. However, no coverage shall apply to expenses incurred for the services of public adjusters or attorneys, insurance agents or brokers, or loss appraisers, nor for services of your employees unless agreed to by us in writing prior to the use of their services.

Knowledge of Occurrence

It is agreed that knowledge of an occurrence by a member of the risk management department, management team, executive team, or the individuals involved in purchasing insurance shall constitute knowledge of an occurrence.

Assignment

1. Except as otherwise provided in paragraph 2. below, assignment of this Policy will not be valid unless we give our written consent.
2. Under this Policy, any attempt to assign post-loss property insurance benefits is void, invalid and unenforceable. Post-loss insurance benefits may not be assigned, in whole or in part, with exception of:
 - a. An assignment, transfer, or conveyance granted to a subsequent purchaser of the property with an insurable interest in the property following a loss; or
 - b. A power of attorney that grants to a management company, family member, guardian, or similarly situated person of an "insured" the authority to act on behalf of an "insured" as it relates to a property claim under this Policy.

Notice of Claim

A claim or reopened claim for loss or damage caused by any peril is barred unless notice of claim is given to us in accordance with the terms of this policy within one year after the date of loss. A reopened claim means a claim that we have previously closed but that has been reopened upon an insured's request for additional costs for loss or damage previously disclosed to us.

A supplemental claim is barred unless notice of the supplemental claim was given to us in accordance with the terms of the policy within 18 months after the date of loss. A supplemental claim means a claim for additional loss or damage from the same peril which we have previously adjusted or for which costs have been incurred while completing repairs or replacement pursuant to an open claim for which timely notice was previously provided to us.

For claims resulting from "windstorms," severe rain or other weather-related events, the date of loss under this loss condition is the date that the hurricane made landfall or the date of the other "windstorm," severe rain or other weather-related event as verified by the National Oceanic and Atmospheric Administration.

This provision concerning time for submission of claim, supplemental claim or reopened claim does not affect any limitation for legal action against us as provided in this policy under the Legal Action Against Us Condition, including any amendment to that condition.

Notice of Inspection

Any inspection or survey by us, or on our behalf, of property that is the subject of a claim, will be conducted with at least 48 hours' notice to you. The 48-hour notice may be waived by you.

E. Loss Conditions

Subparagraph **a.(2)** of **3. Duties In The Event Of Loss Or Damage** is deleted and replaced with the following:

- (2) Give us immediate notice of the loss or damage. Include a description of the property involved.

Subparagraph **a.(4)** of **3. Duties In The Event Of Loss Or Damage** is deleted and replaced with the following:

- (4) Take reasonable emergency measures to protect the Covered Property from further damage, as provided under Additional Coverages 4.g. Reasonable Measures To Protect The Property. Keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

Subparagraph **a.(7)** of **3. Duties In The Event Of Loss Or Damage** is deleted and replaced with the following:

- (7) Send us a compliant, signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. Additionally, you must submit a compliant, signed, sworn proof of loss at least 91 days prior to commencing suit against us, whether we have requested it or not.

The following criteria must be met for a proof of loss submission to be compliant:

- (a) A proof of loss submission must be a notarized, sworn statement from the insured, or its duly authorized agent, which serves to state the monetary value of the insured's claimed loss;
- (b) A proof of loss submission must have a definite number valuing the claimed loss;
- (c) A partial or incomplete proof of loss submission may be returned as noncompliant at our option. Any non-compliant proof of loss submission does not satisfy this loss condition and a compliant proof of loss submission is required within 60 days of our original request; and

- (d) All information submitted to us in a proof of loss submission must be factual and based upon supporting evidence. You agree that noncompliance by you or your representatives with the proof of loss requirements referenced herein prejudices our ability to investigate your claim. Therefore, any proof of loss that does not comply with the aforementioned requirements shall put the insured's claim at risk for denial.

Paragraphs **a.(5)** and **(6)** are added to **4. Loss Payment**:

- (5) Pay the equivalent of what our cost would be to repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below, as evidenced by an executable contractor bid provided by us.
- (6) Pay the equivalent of a "reasonable industry rate" for repairs under an "urgent or emergency circumstance" related to the insured's duty to protect the Covered Property from further damage in the event of loss or damage by a Covered Cause of Loss that occurs during the policy period. The "reasonable industry rate" will be determined by the average of at least 3 bids we obtain for temporary or emergency repairs.

Paragraph **c.** of **4. Loss Payment** is deleted and replaced with the following:

- c.** We will give notice of our intentions within 30 days after we receive the sworn proof of loss, however we may at any time invoke our right to repair or rebuild the property, subject to **b.** above, in lieu of monetary payment.

Paragraph **g.** of **4. Loss Payment** is deleted and replaced with the following:

Provided you have complied with all the terms of this Coverage Part, we will pay for covered loss or damage upon the earliest of the following:

- (1) Within 20 days after we receive the sworn proof of loss and reach written agreement with you;
- (2) Within 30 days after we receive the sworn proof of loss and there is an entry of a final judgment; or

- (3) Within 60 days of receiving notice of an initial, reopened or supplemental claim, unless we deny the claim during that time or factors beyond our control prevent such payment. If a portion of the claim is denied, then the 60-day time period for payment of claim relates to the portion of the claim that is not denied.

Paragraph (3) applies only to the following:

- (a) A claim under a policy covering residential property;
- (b) A claim for building or contents coverage if the insured structure is 10,000 square feet or less and the policy covers only locations in Florida; or
- (c) A claim for contents coverage under a tenant's policy if the rented premises are 10,000 square feet or less and the policy covers only locations in Florida.

Paragraph i. is added to **4. Loss Payment:**

- i. Payment is not available for diminution in value under any Coverage provided by this policy.

Paragraphs d. and e. are added to **8. Valuation** in the Condominium Association Coverage Form:

- d. This policy does not provide coverage for obsolescence, aesthetic differences, matching or lack of uniformity to Covered Property.
- e. Actual Cash Value is defined as replacement cost minus depreciation. Costs subject to depreciation may include, but are not limited to, goods, materials, equipment, labor, overhead and profit, taxes, fees, or similar charges.

Paragraphs f. and g. are added to **7. Valuation** in the Building And Personal Property Coverage Form:

- f. This policy does not provide coverage for obsolescence, aesthetic differences, matching, or lack of uniformity to Covered Property.
- g. Actual Cash Value is defined as replacement cost minus depreciation. Costs subject to depreciation may include, but are not limited to, goods, materials, equipment, labor, overhead and profit, taxes, fees, or similar charges.

G. Optional Coverages

Paragraph d. of **3. Replacement Cost** is deleted and replaced with the following:

- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until damaged property is replaced and the work to repair is completed; and
 - (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage occurs; and
 - (3) We have received reasonable proof of payment by the policyholder of the deductible. Reasonable proof of payment includes a canceled check, money order receipt, credit card statement, or copy of an executed installment plan contract or other financing arrangement that requires full payment of the deductible over time.

2. Mediation

a. Mediation

If we and either the first Named Insured or any third party you retain in connection with your claim under the policy are engaged in a dispute regarding a material issue of fact, either the first Named Insured, the third party or we may request a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services. However, we are not required to participate in any mediation requested by a third party you retain. The loss amount must be \$500 or more, prior to application of the deductible; or there must be a difference of \$500 or more between the loss settlement amount we offer and the loss settlement amount that the first Named Insured requests. If the dispute is mediated, the settlement in the course of mediation is binding only if both parties agree, in writing, on a settlement, and the first Named Insured has not rescinded the settlement within three business days after reaching settlement. The first Named Insured may not rescind the settlement after cashing or depositing the settlement check or draft we provided to the first Named Insured.

We will pay the cost of conducting the mediation conference. However, if:

- (1) The first Named Insured or third party fails to appear at the mediation conference and the first Named Insured wishes to schedule a new conference after failing to appear, then the new conference will be scheduled only upon payment by the first Named Insured of a sum equal to the fees we paid for the mediation conference at which the first Named Insured failed to appear. This sum will then be applied to the cost of the rescheduled mediation conference, and we will pay the balance, if any, of the cost of

conducting the rescheduled mediation conference; or

- (2) We fail to appear at a mediation conference without good cause, we will pay the actual cash expenses the first Named Insured incurs in attending the mediation conference and also pay the total cost of the rescheduled mediation conference.

LIMITED ORDINANCE OR LAW - EXTENSION OF COVERAGE

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
CONDOMINIUM ASSOCIATION COVERAGE FORM

SCHEDULE*

Coverage A, B, And C Maximum Combined Limit Of Insurance.
*Information required to complete the Schedule, if not shown on this endorsement, will be shown in the Declarations.

Except as otherwise provided, the following extension applies to property described in the Declarations.

A. Application Of Coverage(s)

The Coverage(s) provided by this endorsement apply only if both **A.1.** and **A.2.** are satisfied and are then subject to the qualifications set forth in **A.3.**

1. The ordinance or law:
 - a. Regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premises; and
 - b. Is in force at the time of loss.

But coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.

2. The building sustains:
 - a. Direct physical damage that is covered under this policy and such damage results in enforcement of the ordinance or law; or
 - b. Both direct physical damage that is covered under this policy and direct physical damage that is not covered under this policy, and the building damage in its entirety results in enforcement of the ordinance or law.
3. In the situation described in **A.2.b.** above, we will not pay the full amount of loss otherwise payable under the terms of Coverages **A** , **B** , or **C** of this endorsement. Instead, we will pay

a proportion of such loss; meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(Section **G.** of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage, alone, would have resulted in enforcement of the ordinance or law, then we will pay the full amount of loss otherwise payable under the terms of Coverages **A** , **B** , or **C** of this endorsement.

If the building sustains direct physical damage that is not covered under this policy, and such damage is the subject of the ordinance or law, then there is no coverage under this endorsement even if the building has also sustained covered direct physical damage.

- B.** We will not pay under Coverage **A** , **B** , or **C** of this endorsement for:
 1. Enforcement of any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling, or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread, or any activity of "fungus", wet or dry rot or bacteria; or
 2. The costs associated with the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove,

contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot, or bacteria.

C. Coverage

1. Coverage A - Coverage For Loss To The Undamaged Portion Of The Building

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage A for the loss in value of the undamaged portion of the building as a consequence of enforcement of an ordinance or law that requires demolition of undamaged parts of the same building.

2. Coverage B - Demolition Cost Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building, as a consequence of enforcement of an ordinance or law that requires demolition of such undamaged property.

The Coinsurance Additional Condition does not apply to Demolition Cost Coverage.

3. Coverage C - Increased Cost Of Construction Coverage

a. With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- (1) Repair or reconstruct damaged portions of that building; or
- (2) Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of enforcement of the minimum requirements of the ordinance or law.

However:

- (1) This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.
- (2) We will not pay for the increased cost of construction if the building is not repaired, reconstructed, or remodeled.

The Coinsurance Additional Condition does not apply to Increased Cost of Construction Coverage.

b. When a building is damaged or destroyed and Coverage C applies to that building in accordance with 3.a. above, coverage for the increased cost of construction also applies to repair or reconstruction of the following, subject to the same conditions stated in 3.a. :

- (1) The cost of excavations, grading, backfilling, and filling;
- (2) Foundation of the building;
- (3) Pilings; and
- (4) Underground pipes, flues and drains.

The items listed in b.(1) through b.(4) above are deleted from Property Not Covered, but only with respect to the coverage described in this Provision, 3.b.

D. Loss Payment

1. All following loss payment Provisions are subject to the apportionment procedures set forth in Section A.3. of this endorsement.
2. Coverage A, Coverage B, and Coverage C is included within the Limit of Insurance shown in the Declaration as applicable to the covered building. Coverage A, Coverage B, and Coverage C does not increase the Limit of Insurance. The most we will pay, for the total of all covered losses is the Combined Limit of Insurance shown for Coverages A, B, and C in the Schedule above. Subject to this Combined Limit of Insurance, the following loss payment provisions apply:
 - a. When there is a loss in value of an undamaged portion of a building to which Coverage A applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:
 - (1) If the Replacement Cost Coverage Option applies and the property is being repaired or replaced, on the same or another premises, we will not pay more than the lesser of:
 - (a) The amount you would actually spend to repair, rebuild, or reconstruct the building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style, and comparable quality of the original property insured; or
 - (b) The Limit of Insurance shown in the Declarations as applicable to the covered building.
 - (2) If the Replacement Cost Coverage Option applies and the property is not repaired or replaced, or if the Replacement Cost Coverage Option does not apply, we will not pay more than the lesser of:
 - (a) The actual cash value of the building at the time of loss; or
 - (b) The Limit of Insurance shown in the Declarations as applicable to the covered building.

- b. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.
- c. With respect to the Increased Cost of Construction:
 - (1) We will not pay for the increased cost of construction:
 - (a) Until the property is actually repaired or replaced, at the same or another premises; and
 - (b) Unless the repairs or replacement are made within two years from the date of loss. We may extend this period in writing during the two years.
 - (2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.
 - (3) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.

E. The limit listed in the schedule or on the declarations does not apply to each building. The limit applies to all buildings covered under this policy.

- F. Under this endorsement we will not pay for loss due to any ordinance or law that:
- 1. You were required to comply with before the loss, even if the building was undamaged; and
 - 2. You failed to comply with.

G. Example of Proportionate Loss Payment for Ordinance Or Law Coverage Losses (procedure as set forth in Section **A.3.** of this endorsement.)

Assume:

- "Windstorm" is a Covered Cause of Loss; Flood is an excluded Cause of Loss
- The building has a value of \$200,000
- Total direct physical damage to building: \$100,000
- The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value
- Portion of direct physical damage that is covered (caused by "windstorm"): \$30,000
- Portion of direct physical damage that is not covered (caused by flood): \$70,000
- Loss under Ordinance Or Law Coverage **C** of this endorsement: \$60,000

Step 1:

Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$$\$30,000 \div \$100,000 = .30$$

Step 2:

Apply that proportion to the Ordinance or Law loss.

$$\$60,000 \times .30 = \$18,000$$

In this example, the most we will pay under this endorsement for the Coverage **C** loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

Note: The same procedure applies to losses under Coverages **A** and **B** of this endorsement.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.		

A. Actual Cash Value

The following applies with respect to loss or damage by "windstorm" or hail to a building or structure identified in the Schedule as being subject to this Paragraph **A.**:

Replacement Cost coverage (if otherwise applicable to such property) does not apply to roof surfacing. Instead, we will determine the value of roof surfacing at actual cash value as of the time of loss or damage.

Actual Cash Value is defined as replacement cost minus depreciation. Costs subject to depreciation may include, but are not limited to, goods, materials, equipment, labor, overhead and profit, taxes, fees, or similar charges.

With regards to material cost, the following actual cash value depreciation applies (based on roof age on file with us):

- (a) Slate or Metal: 1.33% per year
- (b) Tile or Wood: 2% per year
- (c) All Composition Shingle or Other Roof Material: 5% per year

B. Cosmetic Damage Exclusion

The following applies with respect to loss or damage by "windstorm" or hail to a building or structure identified in the Schedule as being subject to this Paragraph **B.**:

We will not pay for cosmetic damage to roof surfacing caused by "windstorm" or hail. For the purpose of this endorsement, cosmetic damage means that the "windstorm" or hail caused marring, pitting, or other superficial damage that altered the appearance of the roof surfacing, but such damage does not prevent the roof from continuing to function as a barrier to entrance of the elements.

C. Sublimit

The most we will pay for all loss to the roof surface is the "Roof Sublimit" shown in the declarations.

SCHEDULE

Discharge Limit - per premises, per occurrence (Property Damage)	Discharge Limit - per premises, per occurrence (Business Interruption)	Annual Aggregate Limitation Applies
\$	\$	\$
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.		

- A.** If a Discharge Limit for Property Damage is entered in the Schedule, the following applies:
 We will pay for direct physical loss or damage to Covered Property, caused by or resulting from **water that backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump, or related equipment;** located on the described premises, provided such discharge is not induced by any of the following:
1. Flood, surface water, waves (including tidal wave and tsunami), tides, tidal water, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);
 2. Mudslide or mudflow;
 3. Water under the ground surface pressing on, or flowing or seeping through:
 - a. Foundations, walls, floors, or paved surfaces;
 - b. Basements, whether paved or not; or
 - c. Doors, windows, or other openings; or
 4. Waterborne material carried or otherwise moved by any of the water referred to in Paragraph 1. or 3., or material carried or otherwise moved by mudslide or mudflow.
- For the purpose of this endorsement, the term drain does not include a roof drain and related fixtures.
- B.** If a Discharge Limit for Property Damage is entered in the Schedule, the following applies:
 The cost to tear out and replace any part of the building or other property as needed to gain access to the specific point of the system **from which the water backs up or overflows or is otherwise discharged from a sewer, drain, sump, sump pump, or related equipment** is included in the Discharge Limit for Property Damage entered in the Schedule.
- C.** If a Discharge Limit for Business Interruption is entered in the Schedule, the following applies:
 We will pay for business income loss or extra expense in accordance with the terms of the Coverage Form applicable to such premises under your policy, when such loss or expense arises out of the direct physical loss or damage described in Paragraph A.
- D.** There is no coverage under this endorsement if:
1. The discharge results from an insured's failure to perform routine maintenance or repair necessary to keep a sewer or drain or a sump, sump pump, or related equipment free from obstruction and in proper working condition. This limitation does not apply to sudden mechanical breakdown of a sump pump or its related equipment, provided the breakdown is not the result of an insured's negligence; or

- 2. Sump pump failure is caused by or results from failure of power, unless this policy is endorsed to cover power failure affecting the described premises.
- E. We will not pay the cost of repairing or replacing a sewer, drain, sump, sump pump, or any related parts or equipment.
- F. The most we will pay under this endorsement, for the total of all covered loss and expense, is the applicable Discharge Limit shown in the Schedule. Such Limit is part of, not in addition to, the Limit of Insurance applicable to the Covered Property, business income or extra expense.
- G. The applicable Discharge Limit is an annual aggregate limit and as such is the most we will pay for the total of all covered loss and expense caused by all occurrences in a 12-month period (starting with the beginning of the present annual policy period), regardless of the number of occurrences during that period of time. Thus, if the first occurrence does not exhaust the applicable Discharge Limit, then the balance of that Limit is available for a subsequent occurrence. If an occurrence begins during one annual policy period and ends during the following annual policy period, any Discharge Limit applicable to the following annual policy period will not apply to that occurrence.
- H. All policy provisions apply to the coverage provided under this endorsement unless otherwise indicated, including the Deductible for direct physical loss or damage and the "period of restoration" for business income and extra expense. If an occurrence results in loss payable only under this endorsement, the Deductible applicable to Fire will apply to this endorsement. But if an occurrence also causes other loss or damage that is paid under this policy, a separate Deductible will not apply to the loss or damage covered under this endorsement.

LIMITATIONS ON WATER DAMAGE

This endorsement modifies insurance provided under the following:

PROPERTY COVERAGE PART
BUILDING AND PERSONAL PROPERTY COVERAGE FORM
CONDOMINIUM ASSOCIATION COVERAGE FORM
CAUSES OF LOSS - SPECIAL FORM

SCHEDULE

Water Damage Large Loss Deductible	\$	Per Occurrence
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.		

A. Paragraph F.2. Additional Coverage Extensions- Water Damage, Other Liquids, Powder, Or Molten Material Damage

of the Causes of Loss - Special Form is deleted and replaced with the following:

If direct physical loss or damage from water, other liquid, or molten material occurs as a result of a covered cause of loss, we will also pay the cost, subject to a maximum of \$50,000, to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes.

Such tear out and replacement coverage only applies to the reasonable cost to tear out and replace only that particular part of the building or structure, necessary to gain access to the specific point of that system or appliance from which the water or steam escaped.

This Coverage Extension does not increase the Limit of Liability and does not increase any applicable Discharge from Sewer, Drain, or Sump limits.

B. Water Damage Large Loss Deductible

When a Water Damage Large Loss Deductible is shown in the Declarations, the Water Damage Large Loss deductible applies to:

1. Covered water damage;
2. Covered damage resulting from the Discharge from Sewer, Drain, or Sump, if the Discharge from Sewer, Drain, or Sump endorsement is made a part of this policy.

The Water Damage Deductible - Large Loss does not apply to:

1. Water discharged by a fire protective system in response to a fire.
2. Covered water damage or loss which does not exceed \$250,000.

If loss or damage caused by or resulting from a covered water damage event occurs where the covered damage or loss does not exceed \$250,000, the All Other Perils deductible applies.

C. Examples - Application of Deductible

Example #1

The amount of covered water damage loss to a building is \$300,000.
The Water Damage Large Loss Deductible is \$50,000. The All Other Perils Deductible is \$10,000.

The value of the damaged building at the time of loss is \$1,000,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the coinsurance requirement is \$800,000. The actual Limit of Insurance on the damaged building is \$700,000.

Step (1): $\$700,000 / \$800,000 = .875$

Step (2): $\$300,000 * .875 = \$262,500$ (Coinsurance penalty)

Step (3): $\$262,500 - \$50,000 = \$212,500$

The most we will pay is \$212,500. As the covered water damage loss exceeded \$250,000, the Water Damage Large Loss deductible was applied.

Example #2

The amount of covered water damage loss to a building is \$275,000.
The Water Damage Large Loss Deductible is \$50,000. The All Other Perils Deductible is \$10,000.

The value of the damaged building at the time of loss is \$1,000,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the coinsurance requirement is \$800,000. The actual Limit of Insurance on the damaged building is \$700,000.

Step (1): $\$700,000 / \$800,000 = .875$

Step (2): $\$275,000 * .875 = \$240,625$ (Coinsurance penalty)

Step (3): $\$240,625 - \$10,000 = \$230,625$

The most we will pay is \$230,625. As the covered water damage loss did not exceed \$250,000, the All Other Perils deductible was applied.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

FLORIDA CALENDAR YEAR HURRICANE AND ALL OTHER WIND OR HAIL DEDUCTIBLES (RESIDENTIAL RISKS)

This endorsement modifies insurance provided under the following:

BUILDING AND PERSONAL PROPERTY COVERAGE FORM
 CONDOMINIUM ASSOCIATION COVERAGE FORM
 CONDOMINIUM COMMERCIAL UNIT-OWNERS COVERAGE FORM
 STANDARD PROPERTY POLICY

SCHEDULE

Premises Number	Building Number	Hurricane Deductible Percentage - Enter 1%, 2%, 3%, 5%, or 10%	All Other Wind or Hail Deductible - Enter 1%, 2%, 3%, 5%, 10%, \$25,000, \$50,000, or \$100,000

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

The Hurricane Deductible, as shown in the Schedule and set forth in this endorsement, applies to covered loss or damage caused directly or indirectly by Hurricane.

Under the terms of this endorsement, a hurricane is a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service (hereafter referred to as NHC). The Hurricane occurrence begins at the time a hurricane warning is issued for any part of Florida by the NHC, and ends 72 hours after the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the NHC.

If a windstorm is not declared to be a hurricane and there is loss or damage by windstorm to Covered Property as a result of "windstorm" or hail, the applicable deductible is the All Other Wind or Hail Deductible.

Nothing in this endorsement implies or affords coverage for any loss or damage that is excluded under the terms of the Water Exclusion or any other exclusion in this policy. If this policy is endorsed to cover Flood under the Flood Coverage Endorsement (or if you have a flood insurance policy), a separate Flood Deductible applies to loss or damage attributable to Flood, in accordance with the terms of that endorsement or policy.

As used in this endorsement, the terms "specific insurance" and "blanket insurance" have the following meanings: Specific insurance covers each item of insurance (for example, each building or personal property in a building) under a separate Limit of Insurance. Blanket insurance covers two or more items of insurance (for example, a building and personal property in that building, or two buildings) under a single Limit of Insurance. Items of insurance and corresponding Limit(s) of Insurance are shown in the Declarations.

HURRICANE DEDUCTIBLE CALCULATIONS

A. Calculation of the Deductible - All Policies

1. A Hurricane Deductible is calculated separately for, and applies separately to:
 - a. Each building that sustains loss or damage;
 - b. The personal property at each building at which there is loss or damage to personal property;
 - c. Personal property in the open.

If there is damage to both a building and personal property in that building, separate deductibles apply to the building and to the personal property.

The Hurricane Deductible(s), as described above, will apply anew in each calendar year. If the policy period does not coincide with the calendar year, then a separate Hurricane Deductible(s) will apply to loss or damage that occurs during each calendar year in which the policy is in force. For example, if your policy period is from July 1 of calendar year 1 to June 30 of calendar year 2, a separate Hurricane Deductible(s) applies to loss or damage occurring from July 1 to December 31 of calendar year 1 and to loss or damage occurring from January 1 to June 30 of calendar year 2.

2. Subject to Paragraphs **A.3.**, **A.4.** and **A.5.** below, we will not pay for loss or damage until the amount of loss or damage exceeds the applicable Hurricane Deductible. We will then pay the amount of loss or damage in excess of that Deductible, up to the applicable Limit of Insurance, after any reduction required by any of the following: Coinsurance Condition; Agreed Value Optional Coverage; any provision in a Value Reporting Form relating to full reporting or failure to submit reports.
3. When a hurricane results in loss or damage that exhausts the Hurricane Deductible, then that Deductible will not apply to loss or damage from a subsequent hurricane(s) in the same calendar year. In such case, the Deductible that applies to Fire will apply to loss or damage from each subsequent hurricane in that calendar year.
4. When a hurricane(s) results in loss or damage that does not exhaust the Hurricane Deductible, then the Deductible applicable to a subsequent hurricane(s) in the same calendar year will be the Deductible that applies to Fire or the remaining amount of the Hurricane Deductible, whichever is greater. In this situation, the remaining amount of the Hurricane Deductible is determined by subtracting the amount(s) of the aforementioned loss or damage from the Hurricane Deductible.
5. When the Deductible on Fire applies in accordance with Paragraph **A.3.** or **A.4.**, that Deductible is applied to the total of all loss or damage sustained in one hurricane. It does not apply separately to each item of insurance.
6. If an item of insurance is insured under more than one policy issued by us or another insurer in our insurer group for the same policy period and different Hurricane Deductibles apply to the same item of insurance under such policies, then the Hurricane deductible for that item of insurance shall be the highest amount stated in any of the policies.
7. When a renewal policy is issued by us or another insurer in our insurer group, or we issue a policy that replaces our own policy, and the renewal or replacement policy takes effect on a date other than January 1 of a calendar year, the following provisions apply:
 - a. If the renewal or replacement policy provides a **lower** Hurricane Deductible than the prior policy and you already incurred loss or damage from a hurricane that occurred in that calendar year, the lower Hurricane Deductible will not take effect until January 1 of the following calendar year. We will so notify you in writing at the time we offer the lower Hurricane Deductible.
 - b. If the renewal or replacement policy provides a **higher** Hurricane Deductible than the prior policy, the higher Hurricane Deductible will take effect on the effective date of the renewal or replacement policy. However, all foregoing provisions of this endorsement relating to calendar year application of the Hurricane Deductible apply. If hurricane loss or damage was sustained earlier in the calendar year in which the higher Hurricane Deductible now applies, the difference between the higher and lower Hurricane Deductibles will be figured into the calculation of the remainder of the Hurricane Deductible for a subsequent hurricane that occurs in that calendar year.

B. Calculation Of The Deductible - Specific Insurance Other Than Builders' Risk

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5%, or 10% (as shown in the Schedule) of the Limit(s) of Insurance applicable to the property that has sustained loss or damage.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5%, or 10% (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used are the latest value(s) shown in the most recent Report of Values on file with us.

However:

- a. If the most recent Report of Values shows less than the full value(s) of the property on the report dates, we will determine the deductible amount as a percentage of the full value(s) as of the report dates.
- b. If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the applicable Limit(s) of Insurance.

C. Calculation Of The Deductible - Blanket Insurance Other Than Builders' Risk

1. Property Not Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5%, or 10% (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used are those shown in the most recent Statement of Values on file with us.

2. Property Subject To Value Reporting Forms

In determining the amount, if any, that we will pay for property that has sustained loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5%, or 10% (as shown in the Schedule) of the value(s) of that property as of the time of loss or damage.

D. Calculation Of The Deductible - Builders' Risk Insurance

1. Builders' Risk Other Than Reporting Form

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5%, or 10% (as shown in the Schedule) of the actual cash value(s) of that property as of the time of loss or damage.

2. Builders' Risk Reporting Form

In determining the amount, if any, that we will pay for loss or damage, we will deduct an amount equal to 1%, 2%, 3%, 5%, or 10% (as shown in the Schedule) of the value(s) of the property that has sustained loss or damage. The value(s) to be used are the actual cash value(s) shown in the most recent Report of Values on file with us.

However:

- a. If the most recent Report of Values shows less than the actual cash value(s) of the property on the report date, we will determine the deductible amount as a percentage of the actual cash value(s) as of the report date.
- b. If the first Report of Values is not filed with us prior to loss or damage, we will determine the deductible amount as a percentage of the actual cash value(s) of the property as of the time of loss or damage.

E. Calculation Of The Deductible - Property Covered Under The Coverage Extension For Newly Acquired Or Constructed Property

The following applies when property is covered under the Coverage Extension for Newly Acquired or Constructed Property:

In determining the amount, if any, that we will pay for loss or damage to such property, we will deduct an amount equal to a percentage of the value(s) of the property at time of loss. The applicable percentage for Newly Acquired or Constructed Property is the highest percentage shown.

EXAMPLES - APPLICATION OF DEDUCTIBLE (ONE HURRICANE OCCURRING DURING A CALENDAR YEAR)

EXAMPLE #1 - SPECIFIC INSURANCE (B.1.)

The amount of loss to the damaged building is \$60,000.

The value of the damaged building at time of loss is \$100,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the coinsurance requirement is \$80,000 (80% of \$100,000).

The **actual** Limit of Insurance on the damaged building is \$70,000.

The Deductible is 1%.

Step (1): $\$70,000 \div \$80,000 = .875$

Step (2): $\$60,000 \times .875 = \$52,500$

Step (3): $\$70,000 \times 1\% = \700

Step (4): $\$52,500 - \$700 = \$51,800$

The most we will pay is \$51,800. The remainder of the loss, \$8,200, is not covered due to the Coinsurance penalty for inadequate insurance (Steps (1) and (2)) and the application of the Deductible (Steps (3) and (4)).

EXAMPLE #2 - SPECIFIC INSURANCE (B.1.)

The amounts of loss to the damaged property are \$60,000 (building) and \$40,000 (personal property in building).

The value of the damaged building at time of loss is \$100,000. The value of the personal property in that building is \$80,000. The Coinsurance percentage shown in the Declarations is 80%; the minimum Limits of Insurance needed to meet the coinsurance requirement are \$80,000 (80% of \$100,000) for the building and \$64,000 (80% of \$80,000) for the personal property.

The **actual** Limits of Insurance on the damaged property are \$80,000 on the building and \$64,000 on the personal property (therefore no Coinsurance penalty).

The Deductible is 2%.

BUILDING

Step (1): $\$80,000 \times 2\% = \$1,600$

Step (2): $\$60,000 - \$1,600 = \$58,400$

PERSONAL PROPERTY

Step (1): $\$64,000 \times 2\% = \$1,280$

Step (2): $\$40,000 - \$1,280 = \$38,720$

The most we will pay is \$97,120. The portion of the total loss not covered due to application of the Deductible is \$2,880.

EXAMPLE #3 - BLANKET INSURANCE (C.1.)

The sum of the values of Building #1 (\$500,000), Building #2 (\$500,000) and Building #3 (\$1,000,000), as shown in the most recent Statement of Values on file with us, is \$2,000,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the coinsurance requirement is \$1,800,000 (90% of \$2,000,000).

The **actual** Blanket Limit of Insurance covering Buildings #1, #2, and #3, shown in the Declarations, is \$1,800,000 (therefore no Coinsurance penalty).

Buildings #1 and #2 have sustained damage; the amounts of loss to these buildings are \$40,000 (Building #1) and \$20,000 (Building #2).

The Deductible is 2%.

BUILDING #1

Step (1): $\$500,000 \times 2\% = \$10,000$

Step (2): $\$40,000 - \$10,000 = \$30,000$

BUILDING #2

Step (1): $\$500,000 \times 2\% = \$10,000$

Step (2): $\$20,000 - \$10,000 = \$10,000$

The most we will pay is \$40,000. The portion of the total loss not covered due to application of the Deductible is \$20,000.

EXAMPLE #4 - BLANKET INSURANCE (C.1.)

The sum of the values of Building #1 (\$500,000), Building #2 (\$500,000), Personal Property at Building #1 (\$250,000) and Personal Property at Building #2 (\$250,000), as shown in the most recent Statement of Values on file with us, is \$1,500,000.

The Coinsurance percentage shown in the Declarations is 90%; the minimum Blanket Limit of Insurance needed to meet the coinsurance requirement is \$1,350,000 (90% of \$1,500,000).

The **actual** Blanket Limit of Insurance covering Buildings #1 and #2 and Personal Property at Buildings #1 and #2, shown in the Declarations, is \$1,350,000. Therefore there is no Coinsurance penalty.

Building #1 and Personal Property at Building #1 have sustained damage; the amounts of loss are \$95,000 (Building) and \$5,000 (Personal Property).

The Deductible is 3%.

BUILDING

Step (1): $\$500,000 \times 3\% = \$15,000$

Step (2): $\$95,000 - \$15,000 = \$80,000$

PERSONAL PROPERTY

Step (1): $\$250,000 \times 3\% = \$7,500$

The loss, \$5,000, does not exceed the deductible.

The most we will pay is \$80,000. The remainder of the building loss, \$15,000, is not covered due to application of the Deductible. There is no loss payment for the personal property.

EXAMPLES - APPLICATION OF DEDUCTIBLE (TWO OR MORE HURRICANES OCCURRING DURING A CALENDAR YEAR)

EXAMPLE #1 - SPECIFIC INSURANCE (B.1.)

Hurricane A Occurs On September 1 Of A Calendar Year

The amounts of loss to the damaged buildings are \$20,000 to Building #1 and \$10,000 to Building #2.

The value of damaged Building #1 at time of loss is \$50,000 and the value of damaged Building #2 at time of loss is \$100,000. The coinsurance percentage shown in the Declarations is 80%; the minimum Limits of Insurance needed to meet the coinsurance requirements are \$40,000 for Building #1 (80% of \$50,000) and \$80,000 for Building #2 (80% of \$100,000).

The **actual** Limits of Insurance on the damaged buildings are \$40,000 for Building #1 and \$80,000 for Building #2 (therefore no coinsurance penalty).

The Deductible on Fire is \$1,000.

The Hurricane Deductible is 5%.

BUILDING #1

Step (1) $\$40,000 \times 5\% = \$2,000$ (Calendar Year Hurricane Deductible)

Step (2) $\$20,000 - \$2,000$ deductible = \$18,000

BUILDING #2

Step (1) $\$80,000 \times 5\% = \$4,000$ (Calendar Year Hurricane Deductible)

Step (2) $\$10,000 - \$4,000$ deductible = \$6,000

The most we will pay is \$24,000. The portion of the loss not covered due to application of the deductible is \$6,000. The total loss (\$30,000) exceeds the Hurricane Deductible of \$6,000. The Hurricane Deductible is exhausted.

Hurricane B Occurs On October 1 Of The Same Calendar Year

The amounts of loss to the damaged buildings are \$3,000 to Building #1 and \$5,000 to Building #2.

Because the Hurricane Deductible applicable to each building was exceeded by the amount of loss incurred in Hurricane A, the Deductible that applies to Fire (\$1,000) will apply to the loss. Therefore, we will pay \$7,000 ($\$8,000 - \$1,000 = \$7,000$).

EXAMPLE #2 - SPECIFIC INSURANCE (B.1.)

Hurricane A Occurs On October 1 Of A Calendar Year

The amount of loss to damaged Building #1 is \$20,000.

The value of Building #1 at time of loss is \$1,000,000.

The coinsurance percentage shown in the Declarations is 80%; the minimum Limit of Insurance needed to meet the coinsurance requirement is \$800,000 (80% of \$1,000,000).

The **actual** Limit of Insurance on the damaged property is \$800,000 (therefore no coinsurance penalty).

The Deductible on Fire is \$1,000.

The Hurricane Deductible is 5%.

$\$800,000 \times 5\% = \$40,000$ (Calendar Year Hurricane Deductible)

We will not pay for loss or damage since the amount of loss (\$20,000) did not exceed the Hurricane Deductible (\$40,000). The loss of \$20,000 is subtracted from the Hurricane Deductible. The remaining amount of Hurricane Deductible applicable to such subsequent claims is \$20,000.

Hurricane B Occurs On November 1 Of The Same Calendar Year

The amount of loss to damaged Building #1 is \$80,000. The remaining amount of the Hurricane Deductible (\$20,000) is applied to the loss of \$80,000. The amount that we will pay is \$60,000. The Hurricane Deductible is exhausted.

Hurricane C Occurs On December 1 Of The Same Calendar Year

The amount of loss to damaged Building #1 is \$35,000.

Since the Hurricane Deductible is exhausted, the Deductible that applies to Fire (\$1,000) applies to the loss. The amount that we will pay is \$34,000.

"Additional costs" mean those in excess of what would have been required to repair or replace Covered Property, had no CFC refrigerant been involved. We also pay for additional loss as described under the Spoilage or Business Income Coverages provided by this endorsement, caused by the presence of a refrigerant containing CFC substances. We pay no more than the least of the following:

o. Risk Improvement

If Covered Property suffers direct physical loss or damage due to an "equipment breakdown", we will pay for the insured to improve the "power quality" of the electrical system or equipment at the loss location where the "equipment breakdown" occurred.

We will pay the reasonable extra cost to improve "power quality" for the following electrical systems and/or equipment improvements:

- (1) Installation of surge protection devices (SPD's) which are installed at the loss location's line disconnect, load disconnect, or on specific pieces of equipment and that are certified by Underwriter Laboratories (UL) or has an equivalent certification.

However, SPD's do not include any SPD's which are cord-connected surge strips, direct plug-in SPD's or receptacle SPD's;

We will not pay more than 150%, to a maximum limit of \$100,000, of what the cost would have been to repair or replace with equipment of like kind and quality without deduction for depreciation inclusive of fees, costs, and any business interruption loss incurred as stated above.

CAUSES OF LOSS - SPECIAL FORM

A. Covered Causes of Loss

With respect to this endorsement only, Covered Causes of Loss also means "equipment breakdown".

B. Exclusions

With respect to this endorsement only, the following Exclusions do not apply:

B.2.d. (6) and **B.2.e.**

With respect to this endorsement only, Exclusion **B.2.a.** is deleted and replaced with the following:

Artificially generated electrical, magnetic or electromagnetic energy that damages, disturbs, disrupts or otherwise interferes with any:

- (1) Electrical or electronic wire, device, appliance, system or network; or
- (2) Device, appliance, system or network utilizing cellular or satellite technology.

For the purpose of this exclusion, electrical, magnetic or electromagnetic energy includes but is not limited to:

- (a) Electrical current, including arcing;
- (b) Electrical charge produced or conducted by a magnetic or electromagnetic field;
- (c) Pulse of electromagnetic energy; or
- (d) Electromagnetic waves or microwaves.

But if an "equipment breakdown" results, we will pay for the loss or damage caused by that "equipment breakdown".

C. Limitations

With respect to this endorsement only, the following Limitations do not apply:

Limitations **C.1.a.** and **C.1.b.**

D. Definitions

With respect to this endorsement only, Definition **2.** is deleted and replaced with:

PROPERTY ENHANCEMENT ENDORSEMENT

With respect to this endorsement only, under **F.**

Additional Coverage Extensions 4. Off-Premises Power Failure does not apply to this endorsement.

All other policy terms and conditions apply.

THIS PAGE INTENTIONALLY LEFT BLANK

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

FLORIDA CHANGES

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART

A. When this endorsement is attached to Standard Property Policy **CP 00 99**, the term Coverage Part in this endorsement is replaced by the term Policy.

B. The following provision applies when a Coinsurance percentage is shown in the Declarations:

Florida law states as follows:

Coinsurance contract: The rate charged in this policy is based upon the use of the coinsurance clause attached to this policy, with the consent of the Insured.

C. The following is added:

If "windstorm" is a Covered Cause of Loss and loss or damage to Covered Property is caused by or results from "windstorm", the following exclusion applies in:

1. Broward County;
2. Dade County;
3. Martin County;
4. Monroe County;
5. Palm Beach County; and
6. All the areas east of the west bank of the Intracoastal Waterway in the counties of:
 - a. Indian River; and
 - b. St. Lucie.

"Windstorm" Exterior Paint And Waterproofing Exclusion

We will not pay for loss or damage caused by "windstorm" to:

1. Paint; or
2. Waterproofing material;

applied to the exterior of buildings unless the building to which such loss or damage occurs also sustains other loss or damage by "windstorm" in the course of the same storm event. But such coverage applies only if "windstorm" is a Covered Cause of Loss.

When loss or damage to exterior paint or waterproofing material is excluded, we will not include the value of paint or waterproofing material to determine:

- a. The amount of the "Windstorm" or Hail Deductible; or

b. The value of Covered Property when applying the Coinsurance Condition.

E. Sinkhole Collapse Coverage Removed

In the Causes Of Loss - Special Form, Sinkhole Collapse is deleted from the "specified causes of loss" and is no longer an exception to the Earth Movement Exclusion. Coverage for Catastrophic Ground Cover Collapse is added instead as set forth in Paragraph **F**.

Further, this Coverage Part does not insure against Sinkhole Loss as defined in Florida law unless an endorsement for Sinkhole Loss is made part of this policy. However, if Sinkhole Loss causes Catastrophic Ground Cover Collapse, coverage is provided for the resulting Catastrophic Ground Cover Collapse even if an endorsement for Sinkhole Loss is not made part of this policy.

F. The following is added to this Coverage Part as a Covered Cause of Loss. In the Causes Of Loss - Special Form, the following is also added as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage - Collapse.

Catastrophic Ground Cover Collapse

We will pay for direct physical loss or damage to Covered Property caused by or resulting from catastrophic ground cover collapse, meaning geological activity that results in all of the following:

1. The abrupt collapse of the ground cover;
2. A depression in the ground cover clearly visible to the naked eye;
3. "Structural damage" to the building, including the foundation; and
4. The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

However, damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a catastrophic ground cover collapse.

The **Earth Movement** Exclusion and the **Collapse** Exclusion do not apply to coverage for Catastrophic Ground Cover Collapse.

Coverage for Catastrophic Ground Cover Collapse does not increase the applicable Limit of Insurance. Regardless of whether loss or damage attributable to catastrophic ground cover collapse also qualifies as Sinkhole Loss or Earthquake (if either or both of those causes of loss are covered under this Coverage Part), only one Limit of Insurance will apply to such loss or damage.

G. The following applies to the **Additional Coverage - Civil Authority** under the Business Income (And Extra Expense) Coverage Form, Business Income (Without Extra Expense) Coverage Form and Extra Expense Coverage Form:

1. The Additional Coverage - Civil Authority includes a requirement that the described premises are not more than one mile from the damaged property. With respect to described premises located in Florida, such one-mile radius does not apply.
2. The Additional Coverage - Civil Authority is limited to a coverage period of up to four weeks. With respect to described premises located in Florida, such four-week period is replaced by a three-week period.
3. Civil Authority coverage is subject to all other provisions of that Additional Coverage.

The following definition of structural damage is added with respect to the coverage provided under this endorsement:

"Structural damage" means a covered building, regardless of the date of its construction, has experienced the following.

1. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represent a safety hazard as defined within the Florida Building Code;
2. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the primary structural members or primary structural systems that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those primary structural members or primary structural systems exceed one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;

3. Damage that results in listing, leaning, or buckling of the exterior load bearing walls or other vertical primary structural members to such an extent that a plumb line passing through the center of gravity does not fall inside the middle one-third of the base as defined within the Florida Building Code;
 4. Damage that results in the building, or any portion of the building containing primary structural members or primary structural systems, being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or
 5. Damage occurring on or after October 15, 2005, that qualifies as substantial structural damage as defined in the Florida Building Code.
- I.** Paragraph 3. is added to **G. Definitions** in the Causes Of Loss - Special Form:
3. "Windstorm" means damaging wind from any weather system or event including, but not limited to, hurricanes, tropical storms, subtropical storms, tornadoes, convective storms, and winter storms.

J. The following is added to **F. Additional Conditions** in the Coverage Form:

If this policy is a renewal with us, the Limit of Insurance for your Covered Property may be increased. Any change in the Limit of Insurance does not represent, warrant, or guarantee that the amounts of coverage are adequate to repair or rebuild the Covered Property.

CONDOMINIUM ASSOCIATION COVERAGE FORM

- m. Underground pipes, flues or drains;
- n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;

- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
 - (1) Are licensed for use on public roads; or
 - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

- (a) Vehicles or self-propelled machines or autos you manufacture or warehouse;
 - (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
 - (c) Rowboats or canoes out of water at the described premises; or
 - (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers;
- q. The following property while outside of buildings:
 - (1) Grain, hay, straw or other crops; or
 - (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs, or plants (other than "stock" of trees, shrubs or plants), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes Of Loss Form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (3) and (4), we will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Extract "pollutants" from land or water; or
 - (b) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
 - (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to

the Covered Property that has sustained loss or damage.

(4) We will pay up to an additional \$10,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

(a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.

(b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or(4)(b) apply, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$10,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

EXAMPLE #1

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 - \$500)

Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000

(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3) .

EXAMPLE #2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 - \$500)

Debris Removal Expense:	\$ 30,000
-------------------------	-----------

Debris Removal Expense Payable

Basic Amount:	\$ 10,500
---------------	-----------

Additional Amount:	\$ 10,000
--------------------	-----------

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000; capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$30,000) exceeds 25% of the loss payable plus the deductible (\$30,000 is 37.5% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$30,000 = \$109,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$10,000, the maximum payable under Paragraph (4) . Thus the total payable for debris removal expense in this example is \$20,500; \$9,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary for you to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000, unless a higher limit is shown in the Declarations, for your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are

reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with enforcement of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in e.(3) through e.(9) of this Additional Coverage.
- (3) The ordinance or law referred to in e.(2) of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises, and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:
 - (a) The enforcement of any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
 - (b) Any costs associated with the enforcement of an ordinance or law which requires any insured or others to test for, monitor, clean up, remove,

contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of: \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:
 - (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced, at the same or another premises; and
 - (ii) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the increased cost of construction at the same premises.
 - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of e.(6) of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion, to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment and Valuation Conditions, and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the

increased cost attributable to enforcement of an ordinance or law. The amount payable under this Additional Coverage, as stated in e.(6) of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
 - (a) If the Causes Of Loss - Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form, and Collapse as set forth in that form.
 - (b) If the Causes Of Loss - Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
 - (c) If the Causes Of Loss Form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.
 - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

You may extend the insurance that applies to Building to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
 - (i) Similar use as the building described in the Declarations; or
 - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:
 - (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions;
 - (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired

buildings at the location described in the Declarations; or

- (iii) Business personal property that you newly acquire, located at the described premises.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

(b) This Extension does not apply to:

- (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
- (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance on or at each newly acquired or constructed property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable

papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.

- (2) If the Causes Of Loss - Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form, and Collapse as set forth in that form.
- (3) If the Causes Of Loss - Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist), and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and therefore coverage of such costs is not additional insurance.

d. Property Off-premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
 - (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
 - (a) In or on a vehicle; or
 - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than "stock" of trees, shrubs or plants), including debris removal expense, caused by or resulting from any of the

following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

f. Non-owned Detached Trailers

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
 - (a) The trailer is used in your business;
 - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
 - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
 - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss Form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean-up And Removal;
3. Increased Cost Of Construction; and
4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss, and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

EXAMPLE #1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance - Building #1:	\$ 60,000
Limit of Insurance - Building #2:	\$ 80,000
Loss to Building #1:	\$ 60,100
Loss to Building #2:	\$ 90,000

The amount of loss to Building #1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building #1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building #1:

\$ 60,100
- 250
<hr/>
\$ 59,850 Loss Payable - Building #1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building #2. Loss payable for Building #2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:
\$59,850 + \$80,000 = \$139,850

EXAMPLE #2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example #1.

Loss to Building #1: (Exceeds Limit of Insurance plus Deductible)	\$ 70,000
Loss to Building #2: (Exceeds Limit of Insurance plus Deductible)	\$ 90,000
Loss Payable - Building #1: (Limit of Insurance)	\$ 60,000
Loss Payable - Building #2: (Limit of Insurance)	\$ 80,000
Total amount of loss payable:	\$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:
 - (1) Notify the police if a law may have been broken.
 - (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
 - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the

settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.

- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.

- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage to Covered Property within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part and:
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made. If you name an insurance trustee, we will adjust losses with you, but we will pay the insurance trustee. If we pay the trustee, the payments will satisfy your claims against us.
- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Unit-owner's Insurance

A unit-owner may have other insurance covering the same property as this insurance. This insurance is intended to be primary, and not to contribute with such other insurance.

7. Vacancy

a. Description Of Terms

- (1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in (1)(a) and (1)(b) below:
 - (a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.
 - (b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:
 - (i) Rented to a lessee or sub-lessee and used by the lessee or sub-lessee to conduct its customary operations; and/or
 - (ii) Used by the building owner to conduct customary operations.
- (2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

- (1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:
 - (a) Vandalism;
 - (b) Sprinkler leakage, unless you have protected the system against freezing;
 - (c) Building glass breakage;
 - (d) Water damage;

- (e) Theft; or
 - (f) Attempted theft.
- (2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

8. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a. At actual cash value as of the time of loss or damage, except as provided in **b.** and **c.** below.
- b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.
The cost of building repairs or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value even when attached to the building:
 - (1) Awnings or floor coverings;
 - (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
 - (3) Outdoor equipment or furniture.
- c. Glass at the cost of replacement with safety-glazing material if required by law.

9. Waiver Of Rights Of Recovery

We waive our rights to recover payment from any unit-owner of the condominium that is shown in the Declarations.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies.

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property. Instead, we will determine the most we will pay using the following steps:
 - (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;

- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

EXAMPLE #1 (UNDERINSURANCE)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 100,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

Step (1): $\$250,000 \times 80\% = \$200,000$
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

EXAMPLE #2 (ADEQUATE INSURANCE)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 100,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$39,750 ($\$40,000$ amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

EXAMPLE #3

When:	The value of the property is:	
	Building at Location #1:	\$ 75,000
	Building at Location #2:	\$ 100,000
	Personal Property at Location #2:	\$ 75,000
		<u>\$ 250,000</u>

The Coinsurance percentage

for it is:	90%
The Limit of Insurance for Buildings and Personal Property at Locations #1 and #2 is:	\$ 180,000
The Deductible is:	\$ 1,000
The amount of loss is:	
Building at Location #2:	\$ 30,000
Personal Property at Location #2:	\$ 20,000
	<u>\$ 50,000</u>

Step (1): $\$250,000 \times 90\% = \$225,000$

(the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;
 - (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
 - (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.
- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:

- (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
- (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for your non-payment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item.

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.
- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:

- (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
- (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
- (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

EXAMPLE

If: The applicable Limit of Insurance is: \$ 100,000
 The annual percentage increase is: 8%
 The number of days since the beginning of the policy year (or last policy change) is: 146
 The amount of increase is:
 $\$100,000 \times .08 \times 146 \div 365 = \$ 3,200$

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.
- b. This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence; or
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac.

Under the terms of this Replacement Cost Optional Coverage, personal property owned indivisibly by all unit-owners, and the property covered under Paragraph **A.1.a.(6)** of this Coverage Form, are not considered to be the personal property of others.
- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repairs or replacement are made as soon as reasonably possible after the loss or damage.

- e. We will not pay more for loss or damage on a replacement cost basis than the least of **(1)**, **(2)** or **(3)**, subject to **f.** below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.
- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

- (2) Business Income Coverage or Extra Expense Coverage.
 - e. Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.
 - f. Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.
2. We will not pay for loss of or damage to the following types of property unless caused by the "specified causes of loss" or building glass breakage:
 - a. Animals, and then only if they are killed or their destruction is made necessary.
 - b. Fragile articles such as statuary, marbles, chinaware and porcelains, if broken. This restriction does not apply to:
 - (1) Glass; or
 - (2) Containers of property held for sale.
 - c. Builders' machinery, tools and equipment owned by you or entrusted to you, provided such property is Covered Property.

However, this limitation does not apply:

 - (1) If the property is located on or within 100 feet of the described premises, unless the premises is insured under the Builders Risk Coverage Form; or
 - (2) To Business Income Coverage or to Extra Expense Coverage.
 3. The special limit shown for each category, **a.** through **d.**, is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are:
 - a. \$2,500 for furs, fur garments and garments trimmed with fur.
 - b. \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semi-precious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.
 - c. \$2,500 for patterns, dies, molds and forms.
 - d. \$250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, **C.3.**, does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:

- a. Results in discharge of any substance from an automatic fire protection system; or
- b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage - Collapse

The coverage provided under this Additional Coverage - Collapse applies only to an abrupt collapse as described and limited in **D.1.** through **D.7.**

1. For the purpose of this Additional Coverage - Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:

- a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
- b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
- d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:

- (1) A cause of loss listed in **2.a.** or **2.b.** ;
- (2) One or more of the "specified causes of loss";
- (3) Breakage of building glass;
- (4) Weight of people or personal property; or
- (5) Weight of rain that collects on a roof.

3. This **Additional Coverage - Collapse** does not apply to:

- a. A building or any part of a building that is in danger of falling down or caving in;

b. A part of a building that is standing, even if it has separated from another part of the building; or

c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

4. With respect to the following property:

- a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;
- b. Awnings, gutters and downspouts;
- c. Yard fixtures;
- d. Outdoor swimming pools;
- e. Fences;
- f. Piers, wharves and docks;
- g. Beach or diving platforms or appurtenances;
- h. Retaining walls; and
- i. Walks, roadways and other paved surfaces;

if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.** , we will pay for loss or damage to that property only if:

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is not the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:

- a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.** ;
- b. The personal property which collapses is inside a building; and
- c. The property which collapses is not of a kind listed in **4.**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

6. This Additional Coverage - Collapse does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

7. This Additional Coverage - Collapse will not increase the Limits of Insurance provided in this Coverage Part.

The term Covered Cause of Loss includes the Additional Coverage - Collapse as described and limited in **D.1.** through **D.7.**

E. Additional Coverage - Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria is the result of one or more of the following causes that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
 - a. A "specified cause of loss" other than fire or lightning; or
 - b. Flood, if the Flood Coverage Endorsement applies to the affected premises.
2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.
4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss Form or under the Additional Coverage - Collapse.
6. The following, **6.a.** or **6.b.**, applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form.
 - a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.
- b. Loss or damage must be caused by or result from one of the following causes of loss:

- (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
- (2) Vehicle collision, upset or overturn.
Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
- (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.

c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. **Water Damage, Other Liquids, Powder Or Molten Material Damage**

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. **Glass**

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension, **F.3.**, does not increase the Limit of Insurance.

G. **Definitions**

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.

- b. Falling objects does not include loss or damage to:
- (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
- c. Water damage means accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam.

But if any of the above, in Paragraphs **1.** through **5.**, results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

JOINT OR DISPUTED LOSS AGREEMENT

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART
STANDARD PROPERTY POLICY

- A.** This endorsement is intended to facilitate payment of insurance proceeds when:
1. Both a boiler and machinery policy and this commercial property policy are in effect;
 2. Damage occurs to Covered Property that is insured by the boiler and machinery policy and this commercial property policy; and
 3. There is disagreement between the insurers as to whether there is coverage or as to the amount of the loss to be paid, if any, by each insurer under its own policies.
- B.** This endorsement does not apply if:
1. Both the boiler and machinery insurer(s) and we do not admit to any liability; and
 2. Neither the boiler and machinery insurer(s) nor we contend that coverage applies under the other insurer's policy.
- C.** The provisions of this endorsement apply only if all of the following requirements are met:
1. The boiler and machinery policy carried by the named insured, insuring the Covered Property, contains a similar provision at the time of the loss or damage, with substantially the same requirements, procedures and conditions as contained in this endorsement;
 2. The damage to the Covered Property was caused by a loss for which:
 - a. Both the boiler and machinery insurer(s) and we admit to some liability for payment under the respective policies; or
 - b. Either:
 - (1) The boiler and machinery insurer(s) does not admit to any liability for payment, while we contend that:
 - (a) All liability exists under the boiler and machinery policy; or
 - (b) Some liability exists under both the boiler and machinery policy and this commercial property policy;
 - (2) We do not admit to any liability for payment, while the boiler and machinery insurer(s) contends that:
 - (a) All liability exists under this commercial property policy; or
 - (b) Some liability exists under both the boiler and machinery policy and this commercial property policy; or
 - (3) Both the boiler and machinery insurer(s) and we:

1. We will pay, after your written request, the entire amount of loss that we have agreed as being covered, if any, by this commercial property policy and one-half (1/2) the amount of the loss that is in disagreement.
 2. The boiler and machinery insurer(s) will pay, after your written request, the entire amount of loss that they have agreed as being covered, if any, by the boiler and machinery policy and one-half (1/2) the amount of loss that is in disagreement.
 3. Payments by the insurers of the amounts that are in disagreement, as described in Paragraphs **1.** and **2.**, do not alter, waive or surrender any rights of any insurer against any other with regard to the portion of the loss for which each insurer is liable.
 4. The amount in disagreement to be paid by us under this endorsement shall not exceed the amount payable under the equivalent Loss Agreement(s) of the boiler and machinery policy.

5. The amount to be paid under this endorsement shall not exceed the amount we would have paid had no boiler and machinery policy been in effect at the time of loss. In no event will we pay more than the applicable Limit of Insurance shown in the Declarations.
6. Acceptance by you of sums paid under this endorsement does not alter, waive or surrender any other rights against us.

E. Arbitration

1. If the circumstances described in Paragraph **C.2.a.** exist and the boiler and machinery insurer(s) and we agree to submit our differences to arbitration, the boiler and machinery insurer(s) and we will determine the amount each will pay and will pay the insured within 90 days. Arbitration will then take place within 90 days after payment of the loss under the terms of this endorsement.
2. If any of the circumstances described in Paragraph **C.2.b.** exist, then the boiler and machinery insurer(s) and we agree to submit our differences to arbitration within 90 days after payment of the loss under the terms of this endorsement.
3. You agree to cooperate with any arbitration procedures. There will be three arbitrators: one will be appointed by us, and another will be appointed by the boiler and machinery insurer(s). The two arbitrators will select a third arbitrator. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. A decision agreed to by two of the three arbitrators will be binding on both parties. Judgment on any award can be entered in any court that has jurisdiction.

F. Final Settlement Between Insurers

The insurer(s) found responsible for the greater percentage of the ultimate loss must return the excess contribution to the other insurer(s). In addition, the insurer(s) found responsible for the greater portion of the loss must pay Liquidated Damages to the other insurer(s) on the amount of the excess contribution of the other insurer(s). Liquidated Damages are defined as interest from the date the insured invokes this Agreement to the date the insurer(s) that contributed the excess amount is reimbursed. The interest is calculated at 1.5 times the highest prime rate from the Money Rates column of the Wall Street Journal during the period of the Liquidated Damages. Arbitration expenses are not a part of the excess contribution for which liquidated damages are calculated. Arbitration expenses will be apportioned between insurers on the same basis that the ultimate loss is apportioned.

(2) If the residential structure or its contents have been damaged as a result of a covered peril, other than hurricane or wind loss subject to Paragraph **1.a.(1)** above, we may not cancel or nonrenew the policy until either the dwelling or residential property has been repaired or one year after we issue the final claim payment, whichever comes first.

2. With respect to a policy covering a residential structure or its contents, any cancellation or nonrenewal that would otherwise take effect during the duration of a hurricane will not take effect until the end of the duration of such hurricane, unless a replacement policy has been obtained and is in effect for a claim occurring during the duration of the hurricane. We may collect premium for the period of time for which the policy period is extended.

3. With respect to Paragraph **E.2.**, a hurricane is a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service (hereafter referred to as NHC). The hurricane occurrence begins at the time a hurricane warning is issued for any part of Florida by the NHC and ends 72 hours after the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the NHC.

SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph **C**) applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

State(s)	Coverage Form, Coverage Part Or Policy
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph **B.** applies only if indicated and as indicated in the Schedule of this endorsement. If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

THIS ENDORSEMENT IS ATTACHED TO AND MADE PART OF YOUR POLICY IN RESPONSE TO THE DISCLOSURE REQUIREMENTS OF THE TERRORISM RISK INSURANCE ACT. THIS ENDORSEMENT DOES NOT GRANT ANY COVERAGE OR CHANGE THE TERMS AND CONDITIONS OF ANY COVERAGE UNDER THE POLICY.
